## Jeweler Range

Color your world with Euramax

### Crowning achievements

Sometimes the ordinary is just not enough. In times like these Euramax reveals its best kept secrets.

The contemporary Jeweler Range represents a series of marvellous masterpieces. Precious jewels for roof and facade; shimmering monuments of perfection.

Each of them is a tribute to true craftsmanship and a symbol of the pride we take in exceptional colors that accomplish your finest achievements.

**T** +31 (0)475 370 341  
**E** max@euramax.eu

We are happy to speak to you in

### Jeweler collection

EuraMica 3 or 4 layers Polyvinylidene Fluoride (PVDF) and/or Fluor Polymer (Lumiflon)

### Gloss

EuraMica systems come in low gloss (30). This gloss level can be increased up to mid gloss (60) or high gloss (90) using a Lumiflon end-layer.

### Guidelines

- Install panels in the same direction to avoid reflection differences
- Order projects in one batch to avoid color differences
- Many other colors available on [www.euramax.eu/euramica](http://www.euramax.eu/euramica)
